

## Phonics Homework - 27.09.19

### Focus Graphemes of the Week

ea (cup of tea) - tea, seat, beat, scream

ee (what can you see) - see, bee, tree, seem

oi - (spoil the boy) spoil, soil, boil, oil

oy - (toy for a boy) toy, boy, soy, oyster

On the other side of this piece of paper are 6 'alien' words (made-up, nonsense words) and 6 real words for your child to read at home.

Can they spot the different graphemes (written representation of the sound/phoneme e.g. ay, ai, a-e) in the words?

It will help if you add **sound buttons** to the words (see below).

If there is a single grapheme, we draw a dot under it.

dog          strap  
●●●        ●●●●●

If it is either a **digraph** or **trigraph** (two or three graphemes making one phoneme) then a line is drawn under it.

lay    high  
●—    ●—

If there is a split digraph we draw an arc over the graphemes representing the phoneme.

five  
●    ●  
  ∩

Once you have drawn all of the sound buttons, you can then blend the graphemes to read the words.

Below are some examples on how to **blend**:

e.g. d-o-g → dog

th-r-ee → three

h-air → hair
