

## Active Read Questions Thursday 18th June

This week's questions and a challenge:

1. Mr Gruber asked for Paddington's opinion on a painting that he had bought a long time ago. Paddington felt flattered. What does *flattered* mean? Why did he feel flattered?
2. When Paddington returned home he went to his room to think. What do you think that he was thinking about?
3. Why did Mrs Brown have a worried expression on her face when she found out that Paddington was thinking?
4. **Challenge!:** Paddington enjoyed experimenting with all of the different coloured paints making lines, circles and crosses. Your challenge is to create your own design using as many colours as you can find. You can use paints, pencils, crayons or anything that you have at home. I'd love to see your designs in the comments!

Happy reading and designing!
