

- 1) What was your favourite foundation subject?
- 2) What was your favourite thing to learn in that subject?
- 3) Name your favourite memory from Year 2.
- 4) Name something you were proud of this year.
- 5) What was your favourite school trip?
- 6) What are you most looking forward to about Year 3?
- 7) If you could give the Year 1s one piece of advice about going into Year 2, what would it be?

*Challenge: Pick something you have found tricky this year and practise it over the summer (e.g. tying shoe laces, knowing your 2s, 5s and 10s times tables, practising handwriting or zipping your coats and doing up your buttons).*

Good luck everyone and have a lovely summer.

From Miss D'Auria, Miss Whitmarsh, Miss Stevens, Mrs Bard and Mrs Wilkinson!
