

Infant Music Festival 2020 – Wonderful World

SONGS TO LEARN

Hello to all the children of the world

Hello, Bon Jour, Buenos Dias,
G'day, Guten tag, Konichiwa,
Ciao, Shalom, Dobrey Dyen
Hello to all the children of the world!

We live in different places,
From all around the world,
We speak in many different ways -
Though some things might be different,
we're children just the same,
And we all like to sing and play.

Hello, Bon Jour, Buenos Dias,
G'day, Guten tag, Konichiwa,
Ciao, Shalom, Dobrey Dyen
Hello to all the children of the world!

There are children in the deserts
And children in the towns,
And children who live down by the sea.
If we could meet each other
To run and sing and play,
Then what good friends we all could be

Hello, Bon Jour, Buenos Dias,
G'day, Guten tag, Konichiwa,
Ciao, Shalom, Dobrey Dyen

From the tiny ant

from the tiny ant
to the elephant
from the snake to the kangaroo
from the great white shark
to the singing lark
care for them its up to you
care for them its up to you
noone else will care for them
its up
its up
its up to you

from the tabby cat
to the dessert rat
from the hamster to the chimpanzee
from the common turn
to the crawling worm
care for them its up to me

care for them its up to me
noone else will care for them
its up
its up to me

The World Keeps Turning Around

We all live in the big wide world
As the world keeps turning around,
We all live in the big wide world
As the world keeps turning around,
We all live in the big wide world
As the world keeps turning around,
As the big wide world keeps turning around

*So clap your hands
And say "Hello,"
So clap your hands
And say "Hello,"
So clap your hands
And say "Hello,"
As the big wide world keeps turning around.*

North and South and East and West
Still the world keeps turning around,
North and South and East and West
Still the world keeps turning around,
North and South and East and West
Still the world keeps turning around,
As the big wide world keeps turning around

*So clap your hands
And say "Hello,"
So clap your hands
And say "Hello,"
So clap your hands
And say "Hello,"
As the big wide world keeps turning around.*

Make a new friend every day
As the world keeps turning around,
Make a new friend every day
As the world keeps turning around,
Make a new friend every day
As the world keeps turning around,
As the big wide world keeps turning around

*So clap your hands
And say "Hello,"
So clap your hands
And say "Hello,"
So clap your hands
And say "Hello,"*

As the big wide world keeps turning around.

My Planet

My planet is round like a big rubber ball.
It spins in space, spins in space.
My planet is round like a big rubber ball.
It spins around in space.

*And we're all turning with it,
Round and round,
The seas of blue and the grassy ground.
It's such an amazing place.*

My planet isn't flat, I'm certain it's not.
It spins in space, spins in space.
It hasn't got an edge so you can't drop off.
It spins around in space.

*And we're all turning with it,
Round and round,
The seas of blue and the grassy ground.
It's such an amazing place.*

My planet has a name, we call it Earth.
It spins in space, spins in space.
It's just a little dot in the universe.
It spins around in space.

*And we're all turning with it,
Round and round,
The seas of blue and the grassy ground.
It's such an amazing place.*

I Like the Flowers

I like the flowers,
I love the daffodils,
I like the mountains,
I like the rolling hills
I like the fireside when all the lights are low
Boom-ti-ara, boom-ti-ara, boom-ti-ara, boom!

(Learn as a complete song. It will be sung as a round on the day)

Save our Water

What if our water didn't flow
And all the taps ran dry?
We could not have a drink, oh no,
How would we survive?

*So we must save our water,
Save our water,*

Not waste our water, you and I.

What if our water didn't flow
And all the taps ran dry?
We could not wash our hands, oh no,
How would we survive?

*So we must save our water,
Save our water,
Not waste our water, you and I.*

What if our water didn't flow
And all the taps ran dry?
We could not feed the plants, oh no,
How would we survive?

*So we must save our water,
Save our water,
Not waste our water, you and I.*

I'd Like to Teach the World to Sing

I'd like to build the world a home
and furnish it with love,
Grow apple trees and honey bees
and snow-white turtle doves.
I'd like to teach the world to sing
in perfect harmony,
I'd like to hold it in my arms
and keep it company.
I'd like to see the world for once
all standing hand in hand,
And hear them echo through the hills
for peace throughout the land.
