Tuesday 21st April 2026

Dear Parent/Carer,

Welcome back to school and the Summer Term! We're looking forward to a fun and action-packed term ahead.

Our Big Question this term is: **"Who can save the planet?"** We have lots of exciting learning opportunities planned around this theme. Please refer to the *Our Learning* document for more details about the wider curriculum.

PE Days (This Half Term)

We will be focusing on developing athletic skills in preparation for Sports Day. Please note the updated PE days:

- **Tuesday** – Bahamas
- **Wednesday** – Finland
- **Thursday** – Vietnam

Children should continue to come to school dressed in their PE kits on their allocated day.

Summer Term Highlights

The Summer Term is always a busy and exciting time for Year 2. After half term, we will be:

- Taking part in swimming lessons in a mobile pool on site
- Beginning preparations for transition to the junior school
- Visiting Belfairs Nature Discovery Centre to support our Science learning on habitats
- Rehearsing for our End of Year show
- Enjoying our leavers' afternoon celebration

Further details about these events will be shared soon.

End of Year Assessments

At the end of the year, you will receive a report indicating whether your child has met the expected standards for Year 2. These judgements are based on ongoing teacher assessments.

We have reattached the booklet outlining the expected standards in Reading, Writing, and Maths. Please remember that every child develops at their own pace.

Supporting Learning at Home

You can support your child by:

- Reading regularly at home (school reading book or Oxford Owl, up to Grey level)

Please record this in the Yellow Reading and Communication Book (collected every Friday)

- Practising red word spellings
- Completing a Maths activity and a SPAG sheet each week

We will continue to keep you updated throughout the term via PINGs and Facebook posts, please keep an eye out for these.

If you have any concerns about your child please communicate this directly with your child's class teacher or to our school SENDCo (katie.stevens@chalkwellhallinfants.co.uk). I am also contactable for any general queries regarding Year 2 should you have them (helen.wilkinson@chalkwellhallinfants.co.uk)

Thank you for your continued support,

With Kind Regards

Helen Wilkinson
