Dear parents and carers,

As the weather begins to warm up, it's important that we work together to ensure the children are well protected from the sun during their time at Nursery.

We kindly ask that all children bring a sun hat or cap to wear while playing in the garden. Please also apply suncream to your child before their Nursery session begins.

For children who attend Nursery all day, you are welcome to send in a clearly labelled bottle of suncream with your child. To allow staff to help your child reapply it when necessary, please complete the attached permission form.

At Nursery, we will continue to encourage the children to drink plenty of water, wear their sun hats when outdoors, seek shade when appropriate, and limit time spent outside during particularly hot periods.

Thank you for your continued support in keeping the children safe and comfortable.

Kind regards,
Grace Dalgarno
