Nursery Update: Rockets & Shooting Stars! 🚀☀️

Dear parents and carers,

We've recently split our Nursery into two distinct classes—**Rockets** and **Shooting Stars**—to better serve our children's developmental needs.

This change allows us to focus more closely on the skills individual children need whether they are heading off to school in September or continue to develop their foundational skills to help them thrive in Nursery. We have also worked hard to ensure every child is in a group that supports their friendships and happiness.

What you need to know:

- **Same Great Learning:** The learning of both classes is planned by our qualified teachers to ensure a high standard of education across both rooms
- **Outdoor Fun:** The garden remains a shared space for all children to play and learn.
- **Supporting Every Child's Growth:** Each class offers tailored support to help children develop the skills they need, whether preparing for school or exploring their interests.

Please note: As we settle into this new structure, there may be some minor movement between classes to ensure we have the perfect fit for every child.

We are looking forward to a fantastic half-term ahead. Our Rockets and Shooting Stars are truly ready to fly!

Kind regards,

Grace Dalgarno

EYFS Leader
