Dear Parents and Carers,

Welcome Back – Year 1 and Year 2!

I hope you all had a wonderful summer break. It has been fantastic to welcome the children back to school for the new academic year, and I am happy to say that they have settled in really well. The atmosphere in classrooms and around the school has been positive and full of energy; it's great to be back!

We are very much looking forward to welcoming our new Nursery and Reception children over the coming weeks.

Over the summer, we have been busy making improvements to our school. Thanks to a Government grant, our nursery provision has been expanded into the space that was previously the small hall, and we have also enhanced the Reception outdoor areas to provide even more opportunities for play and learning.

Unfortunately, due to a delay with materials, the new nursery space will not officially open until October half term. In the meantime, we will continue to use the original nursery space, which has undergone some improvements over the summer to ensure it remains a welcoming and engaging environment for the children.

Our first school newsletter of the year will be published next Friday, where you will find more updates about school life and upcoming events.

Thank you for your continued support as we start this new school year. We are looking forward to a year full of exciting learning opportunities, growth and memorable experiences for all of our pupils.

Have a great weekend,

Sarah Clements  
Headteacher
