Tuesday 24th February 2026

Dear Parents/Carers,

EVENT NAME	Year 1 Beach Trip
WHY and WHO?	The Year 1 children will be visiting Chalkwell Beach to extend their Geography and Science learning beyond the classroom. They will be developing their map skills and identifying human and physical features, as well as looking for signs of seasonal change.
WHEN?	Tuesday 24th March 2026
NEED TO TAKE...	The trip will take place during the morning session of the school day and we will return to school for lunchtime as normal. Children may wear trainers as we will be walking to and from the beach, as well as going on to the sand. Children will need to be dressed appropriately for the weather, so this will most likely be a warm coat with a hood. Children will need to bring their water bottle and we will bring our classroom snack with us.
OTHER INFO	We will require some parental assistance. If you are able to help, please speak to your child's class teacher or please email me directly (danielle.maynard@chalkwellhallinfants.co.uk) as soon as possible. DBS parents will be given priority. You will be needed from 9am to 12pm, we will only be able to take parents who can stay for the entire trip due to our ratios and younger siblings cannot attend. We also ask that only parents who have confirmed their attendance prior to the trip attend. Please be reassured that we have undertaken an extensive risk assessment for this trip and have made a pre-visit to ensure that the route and site is safe for the children.

We look forward to a really great visit!

Kind regards,

Danielle Maynard
(Year 1 Leader)
