Dear Parents and carers

On Monday 1st December, Year 1 and Reception will be visited by a dental professional to deliver a dental hygiene assembly. After the assembly, with your consent, all children will have their oral health checked. Should they require treatment, your child will be given a letter to take home to advise of the next step. Your child will be invited into the NHS dental practice for free dental treatment.

The oral health check will take place with one of the visiting dental professionals and only takes a few moments to complete.

Please indicate on the consent form to allow your child to be checked.

Kind regards

Danielle Maynard
(Year 1 Leader)
