

RECEPTION CHATTER CHALLENGE

We are excited to invite you to take part in our Autumn Term Chatter Challenge. This challenge is designed to help children build relationships with staff and peers at school, as well as developing their communication and language skills.

We'd love to find out more about your child- their interests, the people who are important to them, and the things they enjoy most. To do this, we ask you to upload photographs to Tapestry. These could include pictures of family, friends, hobbies, favourite places, or special objects. If you need some ideas about what to share, please see your teacher's chatter challenge example, which will be posted on Tapestry today. In class, children will have the opportunity to share their photos with teachers and friends. This is a wonderful way for us all to learn more about one another, discover shared interests, and celebrate the things that make each child unique.

The Chatter Challenge will run throughout this term, with the final date for sharing photos being Friday 20th November.

Thank you for your support. We are really looking forward to seeing your children's photos and learning more about them.
