Tuesday 3rd November 2026

Dear Parents/Carers,

EVENT NAME	**Year 1 Chalkwell Park Trip**
WHY and WHO?	Year 1 will be visiting Chalkwell Park as part of our Science and Geography learning. During the visit, we will observe seasonal changes in the trees for Science, and explore both human and physical features for Geography.
WHEN?	**Monday 7th December**
NEED TO TAKE…	The trip will take place during the school day, and children should come to school in their usual uniform. If the weather is wet, they may bring wellies to change into. Please ensure your child wears a warm, hooded coat, and brings a hat and gloves if it's particularly cold. We'll be out for the morning only and will be back in school for the rest of our normal school day.
OTHER INFO	We would be very grateful for some parental support on this trip. If you are able to help, please speak to your child's class teacher as soon as possible. Priority will be given to parents who hold a current school DBS. Helpers will be needed from 9:00 a.m. until 11:00 a.m. at the latest. Please be reassured that a full risk assessment has been completed and a pre-visit carried out to ensure the route and site are safe for the children.

We look forward to a really great trip!

Kind regards,

Danielle Maynard
(Year 1 Leader)
