CLEAN AIR CHAMPIONS: CHALKWELL INFANT SCHOOL LEADS THE WAY

Chalkwell Infant School has been working alongside Southend City Council to improve air quality around our school. Our Eco Warriors have taken an active role in initiatives such as "Cough, Cough, Engine Off," providing the voiceover for the campaign.

We've also installed devices around the school building to measure air quality and track the impact of our work. Families have been encouraged to leave the car at home or park a safe distance away, and to walk, cycle or scoot to school whenever possible.

A recent highlight of the campaign was a design-a-poster competition, and we are thrilled to announce that four of our children were selected as winners! Congratulations to Marnie, Phoebe, Fargo, and Evelyn, each of whom has won a brand-new scooter!

WE NEED YOUR CHILD'S INPUT ON SCHOOL MEALS!

It's that time again; we're reviewing our school dinner menu, and before making any changes, we want to hear from our pupils.

Our Young Leaders groups have completed a detailed survey about their likes and dislikes, and now we would like to capture the views of all children through this short [survey](#). Please support your child to answer the questions so we can design a menu that they will truly enjoy.

Thank you

A Week on the Moon!

This week, the children were transported to the moon! They loved exploring the space dome with their friends and discovering all its cosmic wonders.

We know that for all our children to have a happy and safe lunchtime, their needs can be very different. Some enjoy the hustle and bustle of the playground, while others prefer quieter spaces, either alone or with a few friends. We recognise this and make sure our lunchtime offer has something for everyone.

A big thank you to everyone who kindly donated Spider-Man toys, they are already bringing lots of smiles!
