Dear Parents / Carers,

Thursday 1st October is an important date in the school calendar as the DfE collects information from schools which is used to determine a number of funding allocations. One of these is funding towards our school meal provision, so it is really important that as many children as possible choose a school meal on this day. The number of children taking a meal helps determine the level of funding we receive, so every meal really does make a difference to our school. If you think your child might not like what is on the menu, we would really encourage them to give it a try! You are also welcome to send in a packed lunch as a back-up if that gives your child a little extra reassurance.

And we've chosen one of our favourites for the day!

🍗 **Chicken (wheat), gluten free chicken nuggets, quorn nuggets (wheat) or vegan nuggets (wheat) & oven baked wedges with a mixed vegetable medley of peas, carrots and sweetcorn**

🌯 **Wraps are also available**

🥔 **Jacket potatoes are also available**

And for pudding…

🍨 **Vanilla ice cream pot (Dairy)**

🍓 **Gluten free Jelly**

🍎 **Fresh fruit**

Thank you for your support - every school meal counted helps us to maximise the funding available to our school.
